
M-RULE®

Container Performance Model for Beverages

Access to the **M-RULE® Container Performance Model for Beverages** is available two ways: 1) Through paid subscription; or 2) On a “per-use” basis.

Subscription Basis: When you subscribe to this model, you purchase unlimited access to the capabilities identified in your subscription contract for the specified contract period. Subscriptions provide company-wide, 24/7 access to the model via a secure Internet site. There are a number of different subscription levels available, so that you can tailor the product to meet your specific needs.

If you have questions regarding subscriptions, please contact John Maddox at phone number +1 904 382 8735 or e-mail j.maddox@sba-cci.com.

Per-Use Basis: [Plastic Technologies, Inc.](http://www.plastictechnologies.com) is authorized to run the **M-RULE® Container Performance Model for Beverages** as a service for others on a per-use basis. If you have questions about this option, please contact PTI at phone number +1 419 867 5424 or e-mail info@plastictechnologies.com.

M-RULE®
